WELCOME

Welcome to the University of Waikato's April 1999 graduation ceremonies. Graduation is a highlight of the University year as it is a time when the University and the community come together to formally acknowledge and celebrate the achievements of their scholars. This makes it a happy and important occasion for graduands, their families and friends. For these reasons the University endeavours to make each ceremony part of a special day for all participants. I hope you enjoy graduation and I wish all graduands future success and happiness.

Prof. Bryan Gould
Vice-Chancellor

A Brief History of the University of Waikato Te Whare Wānanga o Waikato

The University of Waikato had its genesis in 1956, when a small group of visionary individuals began working towards the founding of a university for the people of the South Auckland region. A college, or sub-branch of Auckland University, was established in 1959, and in 1964 the University of Waikato was officially opened by the then Governor-General, Sir Bernard Fergusson (later Lord Ballantrae).

Today the University of Waikato is a modern, forward-looking institution, with a powerful vision and commitment to being the New Zealand University for the 21st Century. This is a far cry from its modest beginnings in 1964 on what was largely farmland, with a handful of temporary buildings and a few staff. The University now employs approximately 1700 academic and administrative staff. Around 3000 courses in 70 subject areas are taught to over 12,000 students annually. The Campus covers some 68 hectares, with comprehensive on-site facilities to support the large University community including a range of student accommodation, banks, cafes, sports and recreation facilities, along with extensive teaching and research facilities.

The University region includes four of the major tribal confederations - Tainui, Te Arawa, Mataatua and Tairāwhiti. From its inception, the University has been at the forefront of initiatives for Māori, working closely with local iwi, particularly Tainui, to make the University accessible to Māori students. The University is proud to be the leading university in the development of partnerships with Māori, and to have the largest number and proportion of Māori students of any New Zealand university today.

Not all initiatives are campus-based. The offering of a range of first year courses in Tauranga in 1998 by the University, and the subsequent establishment of Tauranga University College of the University of Waikato, associated with the Bay of Plenty Polytechnic, demonstrates the University's on-going commitment to meeting the needs of its regional community.

The University has developed a wide range of interdisciplinary and multidisciplinary degree programmes. A number of new degrees have been introduced in 1999 in recognition of the ever-increasing need for education and research in contemporary fields of knowledge.

The University of Waikato has a strong research programme and makes substantial contributions to the social and economic development of local, regional, national and international communities. The value of external research contracts in progress increased from \$1.6 million in 1986 to \$41 million in mid 1998. A 1998 assessment of the University's economic impact on the wider Waikato region was estimated at approximately \$500 million per annum.

The University of Waikato is a comparatively 'young' institution, functioning without the support of many generations of Alumni and people with long-standing associations with the university. Despite its youth, the University of Waikato can look back with a good deal of satisfaction at its many remarkable accomplishments as it approaches the next millennium. It can also look forward to the new century with confidence and optimism, secure in the knowledge that the University is well-placed to meet and shape future challenges.

THE UNIVERSITY CREST

The motto, *Ko Te Tangata*, means The People and reflects the University's philosophy that people are central to the institution and its most valued resource. The outside red border is a stylised fern frond or pitau that symbolises new birth, growth, vitality, strength and achievement. Inside the border is the University's coat of arms. The open book surrounded by the four stars of the Southern Cross is a symbol of learning. The crest design is in the University's colours of black, red and gold.

CEREMONIAL TRADITIONS

Elements of university graduation ceremonies have evolved from the 12th Century when the first universities emerged in Europe. The organisation of medieval universities was modelled on the established institutions of the day - the church, the monastery, and the guild.

Latin was the language used by medieval scholars, and it is from Latin that the words 'university' and 'degree' are derived. The Latin term *universitas* means a guild or union and universities started as a scholastic guild - a self-constituted community of teachers and scholars.

The word graduate comes from the Latin word *gradus* which means step. Admission to study a Bachelor's degree was the first step taken towards completing a university education. The second step was to become a "master". Masters were Master of Arts graduates whose degrees licensed them to teach. The Chancellor, an officer of the cathedral, originally granted teaching licences.

CEREMONIAL ROBES

In the Middle Ages the corporate existence of universities was recognised and sanctioned by civil or ecclesiastical authority. The regalia worn by graduates and university staff today reflect this mix of medieval governance. Robes worn by the Chancellor resemble those worn by the Lord Chancellor of England. Graduates and academic staff wear gowns similar to the dress of medieval clergy. Hoods are also fashioned on an everyday medieval garment, although the coloured lining was a later addition to indicate the wearer's university and degree.

The academic gowns and hoods worn by graduates and University staff today are fashioned on everyday medieval garments.

University of Waikato Academic Dress

The Academic regalia of the University of Waikato are as follows:

First Bachelors: Black gown; black hood with gold lining; black mortarboard.

Bachelors with Honours: Black gown; black hood with gold lining and gold border 5cm in width; black mortarboard.

Masters: Black gown; gold hood with gold lining; black mortarboard.

MPhil: Black gown; crimson hood with crimson lining; black mortarboard.

PhD: Maroon gown; crimson hood with crimson lining; black Tudor bonnet.

DLit, DSc: Crimson gown; crimson hood with crimson lining; black Tudor bonnet with gold cord and tassel.

HonD: Crimson gown; gold hood with gold lining; black Tudor bonnet with gold cord and tassel.

Chancellor and Vice-Chancellor: Black gown with lining of gold satin; gold button and cord just above the gold satin; a replica of the University's Coat of Arms just above the gold button on the shoulder; black Tudor bonnet with gold cord and tassel.

Pro-Chancellor: Black gown with lining of gold satin; gold button and cord just above the sleeves which are lined with black satin; black Tudor bonnet with gold cord and tassel.

Assistant Vice-Chancellor: Black gown with lining of gold satin; gold button and cord just above the sleeves which are lined with black satin; a replica of the University's Coat of Arms just above the gold button on the shoulder; black Tudor bonnet with gold cord and tassel.

GOD DEFEND NEW ZEALAND

God of Nations at Thy feet
In the bonds of love we meet
Hear our voices we entreat
God defend our free land

Guard Pacific's triple star
From the shafts of strife and war
Make her praises heard afar
God defend New Zealand

E Ihowa, Atua
O Nga Iwi O te Ao
Ata whakarongona
Me aroha noa

Kia hua ko te pai
Kia tau to atawhai
Manaakitia mai
Aotearoa

GAUDEAMUS

Gaudeamus igitur
Juvenes dum sumus
Gaudeamus igitur
Juvenes dum sumus
Post jocundam juventutem
Post molestam senectutem
Nos habebit humus
Nos habebit humus

Let us then be joyful

After the pleasure of youth
After the burden of old age
The earth will have us

The University of Waikato
FOUNDATION
Te Pou Taunaki

To those attending in support of a graduate...

The completion of a qualification is an outstanding achievement. For the graduates, it's the culmination of a major undertaking. Congratulations are in order, but not just for those who graduate. Congratulations are also due to the many people who have supported the students throughout their journey, and who now take pride and pleasure in their success.

As the celebrations get under way, and graduates think of employment, or prepare for the next adventure, or contemplate another year's study, you may well be looking on with pride at what someone special has achieved. For you it is a chance to remember your part in this significant educational achievement. You may well remember the decision to enrol at the University of Waikato, discussions about which courses to undertake, long late nights, financial commitments made, sacrifices shared, hopes and dreams that have now come to fruition. As you remember the past, and celebrate what has been achieved, we invite you to think also of the future.

The University of Waikato Foundation is working to strengthen the University and, thereby, the value of the qualifications it awards. The Foundation is now conducting a Campaign to raise funds for the University -

The Campaign for Waikato. Projects include:

- An Academy of Performing Arts, with a 350-seat music auditorium, 170-seat drama theatre, 100-seat dance studio and a large Māori performing arts room (Whare Tapere Iti). The Academy will be used extensively by the wider community.
- The provision of new scholarships and fellowships to help students with their studies and research.
- Extensions to the University Rec. Centre, including a new multi-purpose activities room and extensions to the weights room and circuit training area.
- Bursaries for students in crisis.
- Enhanced facilities for students with disabilities.
- The establishment of a Centre for Community Studies, to study Philanthropy, Not-for-Profit Management and Marketing and Fundraising in the New Zealand context.
- Support for the newly established International Global Change Institute.

A booklet outlining details of the Campaign is available on request.

It may be that you would like to contribute to **The Campaign for Waikato**, and if so we'd be delighted. You have the opportunity to contribute to the future of an institution which has, we hope, served you well and which now seeks the added strength to do even better in the future. You can nominate the project you wish to support, and every contribution over \$5 is tax deductible.

Contributions can be sent to The Campaign for Waikato, The University of Waikato Foundation, Private Bag 3105, Hamilton. A receipt will be sent so do remember to enclose your return address.

THE CAMPAIGN FOR WAIKATO

Concept perspective, the University of Waikato Academy of Performing Arts. ▼

DAME MALVINA MAJOR

Adjunct Professor, Academy of Performing Arts
Patron of the University of Waikato

Increasingly the University of Waikato is a source of inspiration and innovation - and it is planning for the future. For instance, the Academy of Performing Arts is a very exciting concept. It is essential that artists learn more than just their specific specialist skill; integrated study and a knowledge of related disciplines is vital.

The Academy could become the pre-eminent performing arts training centre in the country, and with an international reputation.

I intend taking a personal interest in the Academy of Performing Arts, and I hope to play my part in its future.
