WELCOME

Rt Hon Sir Anand Satyanand
GNZM QSO KStJ
Chancellor
University of Waikato

It is a privilege to share this very important day with you, our students, who have worked so hard to reach this culmination point. Graduation is the perfect time to reflect, celebrate and dream.

Take the time today to think about where you've come from and the knowledge and experiences you've gained while at university. Many of you are different people than when you began this journey. You are hopefully wiser, more mature and more confident, and you should feel proud of what you've accomplished.

Today is also about celebration. You deserve your moment in the limelight. As you walk across the stage today and receive your qualification, enjoy every second of it.

And finally, today is a day to dream. Since I've taken up the role of Chancellor, I've enjoyed hearing the many stories of how University of Waikato graduates are changing the world around them – whether that be in the smallest towns of New Zealand, or the largest cities in the world, our graduates do great things. And you will too.

Congratulations and best wishes as you make your way in the world.

Professor Neil Quigley

Vice-Chancellor

University of Waikato

Graduation is a wonderful part of the tradition of universities. Your ceremony today combines elements that reflect 800 years of tradition since the first universities were established, as well as elements that reflect the University of Waikato's unique culture.

Today's graduation ceremony recognises the hard work and scholarly achievements of each of our graduates. The perseverance and intellectual effort that you have put into every assignment, every exam, every lab experiment and late-night study session is reflected in our celebration of your achievements. As Vice-Chancellor, it is an honour and pleasure to share it with you.

It is also a special moment for those who have supported each of our graduates as they have undertaken study towards their degree or diploma. The cost of studying is substantial, and the focus and the effort required for successful completion of a qualification requires sacrifices that impact on family and friends. Your support has no doubt played an important part in making our graduates' journey in tertiary education the success it has been.

To our graduates, I hope your experience at the University of Waikato has been fulfilling. I trust that you take away not only the skills and knowledge that you have acquired during your studies, but also great friends and memories of your time at the University of Waikato.

From today, you are a member of the alumni of the University of Waikato. We look forward to staying connected with you through the years and of hearing about your future achievements and success.

ORDER OF PROCEEDINGS

The assembly will be invited to stand as the academic procession enters Te Āhurutanga (the Student Hub) to the welcoming call of the karanga

Opening karakia and mihi whakatau

The New Zealand national anthem will be sung

The Chancellor will address the assembly

The Chancellor will confer the qualifications on graduates from each division/faculty

The student speaker will be introduced and address the assembly

Conclude proceedings with a closing karakia

Official procession from Te Āhurutanga

Graduates' procession from Te Āhurutanga
(please remain standing until the procession has left)

Following the ceremony, graduates and guests are warmly invited to join University staff for light refreshments.

STAY CONNECTED

Congratulations on graduating - you are now a member of the University of Waikato alumni community, a special group of more than 90,000 graduates making their mark on the world.

Waikato alumni are connected by a common thread – the time they spent at the University of Waikato.

While you may have finished your studies, as alumni you can expect to hear from our Alumni team with University updates, online panels, inspiring stories featuring fellow alumni and invitations to alumni catch-ups in your area. Alumni events are a great way to connect with the University and expand your networks.

Once again, congratulations on graduating. We look forward to staying in touch with you for years to come.

THE UNIVERSITY OF WAIKATO

TE WHARE WĀNANGA O WAIKATO

Gifted by the late Dr Te Wharehuia Milroy, The University of Waikato motto, 'Ko Te Tangata', means 'For the People', and articulates the University's philosophy that people are central to our organisation, and are our most valued resource.

It's an appropriate maxim given the University was established 'by the people, for the people', following many years of lobbying by a group of Hamilton locals, who saw an opportunity for the Waikato region to have its own university.

The University opened in 1964 with 181 enrolments, and today we are proud to welcome 12,000 students and employ 1,400 staff across our two vibrant campuses.

The University is committed to academic excellence, and provides academically challenging programmes that reflect the interests of students and the needs of the employers, industries and communities.

Students at Waikato enjoy quality learning experiences and smaller class sizes, flexible degree structures, and work-integrated learning to ensure they are industry ready, and supportive research supervision from internationally acclaimed academics.

The University values its relationship with the Kingitanga, Waikato-Tainui and mana whenua. The rich heritage and cultural history of Kirikiriroa Hamilton and the Waikato region is reflected in our vibrant, multicultural University community.

CAMPUS LOCATIONS

Hamilton

Our Kirikiriroa Hamilton campus is situated on 65 hectares of stunning grounds complete with cafes, lakes, vibrant Boon Street artworks, and on-campus accommodation.

The University is proud to be delivering all Hamilton graduation ceremonies in The Pā. Opened in mid-2023, The Pā is the landmark new building at the heart of our campus. Its development reflects the University's commitment to an integrated and accessible campus, and to a welcoming space that includes social interaction, hospitality and culture.

Tauranga

Our award-winning Tauranga Moana campus, just five years' old, offers a modern learning environment that is a stone's throw from the beautiful Tauranga waterfront.

The state-of-the-art building was designed with students in mind. It features stunning artworks that express a unique cultural narrative reflecting the University's relationship with mana whenua and, more broadly, with Tauranga Moana and Bay of Plenty iwi. The University also operates dedicated facilities in Tauranga for coastal marine and aquaculture research, as well as high-performance sport.

China

The University has around 900 students at its joint institute with Zhejiang University City College (ZUCC) in China. The purpose-built institute, designed with New Zealand design principles, teaching approaches and standards, offers degrees in Finance, Computer Graphic Design and Design Media.
